**LANGHE NEBBIOLO** (95% Nebbiolo "Lampia e Rosè," 5% Barbera)  
BBC47704      2004

750 ml      12 per case

*Located within the commune Magliano Alfieri, Castellinaldo and Barolo, Nebbiolo is thought to derive its name from the piedmontese word "nebbia," which means "fog." Harvested in the first 10 days of October, a deep and intense fog sets in to the Langhe region. The wine is aged in barrels for 13-16 months, then further aged in bottles, revealing aromas and flavors of violets, tar, wild herbs, cherries, raspberries, truffles, tobacco and prunes.*

**BAROLO DOCG COSTA DI ROSE** (100% Nebbiolo – Michet e Lampia e Nebbiolo Rosè)  
BBC47103      2003      **GR: 2 Glasses, ST: 90 Points**

750 ml      12 per case  
\$43.00      \$516.00

*Medium ruby, with perfumed aromas of red rose, red cherry, licorice and truffle soar from the glass with a lovely minty, mineral twist. At once plump and juicy, with fine acids giving the ripe red cherry, blackberry, mocha, tar and licorice flavors definition and lift. This manages to be both concentrated and light at the same time. Long and suave on the finish. One of the better, if lesser-known, wines of the vintage and a producer worth keeping an eye on. – Steven Tanzer's Wine Cellar (wineaccess.com)*

**BAROLO DOCG VIGNA LA VOLTA** (100% Nebbiolo)  
BCB47101      2001      **WS: 91 Points, GR: 2 Glasses**

*"Floral and fruity with hints of crushed blackberries on the nose. Medium- to full-bodied, with chewy tannins and a long finish. – Wine Spectator"*

**BAROLO RISERVA DEL FONDATORE DOCG** (100% Nebbiolo)  
BCB47201      2001      **GR: 2 Glasses**

750 ml      6 per case

*The 4,000 bottles of Barolo Vigna Sarmassa 2001 are exemplary, showing deep and full with well-defined fruit that offers velvety sensations on the palate, thanks to lovely flesh and well-gauged tannins. This is a gem of a Barolo, brimming with tradition, elegance and the essence of nebbiolo, the main variety grown in these beautiful hills. (Gambero Rosso 2008)*

**CASCINA CUCCO (SERRALUNGA D'ALBA)**

WWW.CASCINACUCCO.COM

**LANGHE CHARDONNAY DOC** (100% Chardonnay)  
BCC21307      2007

750 ml      12 per case

*Displaying a delightful straw yellow color with golden reflections, this wine has an intense and composite bouquet. Its flowery fragrances recall the hawthorn and orange flower, perfectly matching the fruity suggestions of mature apple and hints of bananas and pineapples. Due to its freshness, this wine goes perfectly with cold hors d'oeuvres, seafood and fish courses.*

**DOLCETTO D'ALBA VUGHERA DOC** (100% Dolcetto)  
BCC22307      2007

750 ml      12 per case

*A ruby red color, intense with purple reflections. Its bouquet ranges from small woodland fruits to fresh fragrances of wild violets and crushed roses. Absolutely ideal for first courses, it also goes very well with meat hors d'oeuvres. Soft and simple Dolcetto with light jam and berry flavors.*

**BARBERA D'ALBA DOC** (100% Barbera)  
BCC11107      2007

750 ml      12 per case

*Ruby red colors with intense violet hues; violet rim. First aromas are sharp, then, when resting, of flowers, roses and freshly-picked fruit, black currants and sour black cherries, on the whole intense and persistent. The mouth perceives a slight acidity which dissolves in the sweetness of the fruit. The finish is fairly long and highlights a ripe, fleshy fruit. It offers a bouquet with an intense range of varietal perfumes: from red petal rose to fruity raspberry, wild black cherry and blackberry. A wine that goes well with snacks of bread, salami and lightly matured cheeses; or with pasta dishes with meat sauce.*

**BARBERA D'ALBA DOC SUPERIORE** (100% Barbera)  
BCC11705      2005

750 ml      12 per case

*A wine with intense ruby-red color, full of violet reflections. It offers a bouquet with an intense range of varietal perfumes from red petal rose to fruity raspberry, wild black cherry and blackberry. A noble but not excessively austere wine, it goes very well with second courses based on boiled and roasted meat.*

**LANGHE ROSSO DOC MONDO** (Nebbiolo and Barbera)  
BCC47606      2006

750 ml      12 per case

*Attractive berry and cream character, with a soft texture of ripe tannins and fresh fruit. Deep, intense ruby red, slightly tinged with purple; the bouquet is intensely floral with a predominance of rose. A wonderful blend of alluring notes reminiscent of small forest fruits. This fine wine, characterized by its strong structure and elegance, is ideally served with main courses of roast or braised meat and small game.*

<b>BAROLO DOCG (100% Nebbiolo)</b>			750 ml	12 per case
BCC47103	2003			
<i>Barolo in its most classic form: brilliant ruby red color with garnet rims. The bouquet opens with hints of dried roses and crushed prunes to reveal suggestions of woodland flowers, licorice and spices. Dried porcini and berries on the nose lead to a medium-bodied palate with good fruit, fine tannins and a medium finish. Forward and delicious. Due to its superlative structure, this wine goes perfectly with red meat second courses, feathered game and braised meat.</i>				
<b>BAROLO CERRATI DOCG (100% Nebbiolo)</b>			750 ml	12 per case
BCC47200	2000	<b>WS: 93 Points, RP: 90 Points</b>		
<i>Barolo from the Cerrati cru displays intense, meditative perfumes from floral hints of wild roses to suggestions of mint and thyme, with fruity components of cherry and pressed red currants, followed by an aroma of mushroom and undergrowth. A wine with intense personality, it goes well with robust second courses, game in general, and strong cheeses.</i>				
<i>"Extremely complex red on the nose with raspberries, berries, spices and cedar. Full-bodied with super elegant tannins and a long, long finish. A real beauty. – Wine Spectator"</i>				
<i>"The 2000 Barolo Cerrati is darker in color, riper and tarrier in aroma and flavor than the regular bottling, solid and substantial on the development and finish, and with ample notes of wild cherries and licorice on the close. – Robert Parker"</i>				
BCC47201	2001	<b>WS: 92 Points</b>		
<i>"Plum, licorice and berry aromas and flavors. Full-bodied, with silky tannins and a long finish. Rich yet reserved. Very pretty. – Wine Spectator"</i>

<b>BAROLO VIGNA CUCCO DOCG (100% Nebbiolo)</b>			750 ml	12 per case
BCC47303	2003	<b>WS: 92 Points</b>		
<i>This cru, very much the flagship of the company, is immediately striking in its brilliant ruby red color with subtle orange reflections, its complex and embracing bouquet, where the varietal notes of the wild rose merge with aromatic hints of sage. Fruity components then emerge, recalling dry blackberries, pressed sour cherry and, to complete the picture, a subtle presence of spices and suffused hints of wild flowers. A great and noble wine, it goes perfectly with elaborate second courses, game in general, as well as supremely enhancing the qualities of seasoned cheeses.</i>				
BCC47304	2004	<b>WS: 91 Points</b>		
<i>"Ripe plum and fresh shitake mushroom aromas. Full-bodied with velvety tannins. Shows lots of fruit and new toasty oak. Chewy. Needs time to come around. Best after 2012. 670 cases made. – Wine Spectator"</i>

WWW.LUCAFERRARIS.IT

<b>GRIGNOLINO D'ASTI "VIGNA DEL CASOT" (100% Grignolino)</b>			750 ml	12 per case
BFE25707	2007			
<i>The Grignolino of Asti is considered one of the best Italian wines. Many years ago its production was very intense; in the last years it has been reduced to a rarity. A good Grignolino must be of medium structure and tannic at the right point; the color is soft ruby that, with time, becomes orange. Delicate, deep and heavenly bouquet with clear traces of marasca cherry and underwood, moderately hot in the mouth, dry with a refinedly bitterish and persistent aftertaste. It is a very personal wine that can fascinate the most exigent palate. Served young and at room temperature, it matches with every kind of hors d'oeuvres and light cuisine. It goes with the whole meal – excellent with fish.</i>				
<b>RUCHÉ DI CASTAGNOLE MONFERRATO "BRIC D' BIANC" (100% Ruché)</b>			750 ml	12 per case
BFE69907	2007			
<i>The color is ruby, with important purple shades. When it is young it has many violet reflections that become a lively orange with passing time. To the taste, it is delicate, persistent, deep subtle, a little aromatic, soft and velvety. You can taste the wine with savory cheeses of medium-high seasoning (even Gorgonzola) and with foods like sausage, fondue, rumaki, and stuffed ravioli; the wine also pairs well with game and biscuits.</i>

Its flavor is dry but full-bodied and extremely soft, enriched by touches of delicate fruits which result in a remarkable finish. Perfect for serving with warm and cold hors d'oeuvres, and fish first courses.</i>			
<b>DOLCETTO D'ALBA AUSARIO DOC (100% Dolcetto)</b> BMF22507      2007		750 ml	12 per case
<i>Ruby red in color, a vitally intense and lively wine with a deep fruity scent, enriched by hints of Marasca cherry, rose and tobacco. Dolcetto is a modern wine and can be served with any type of cuisine. It is therefore becoming very popular on the market for its freshness and elegance and its typical almond aftertaste.</i>			
<b>BARBERA D'ALBA AUSARIO DOC (100% Barbera)</b> BMF11506      2006 <b>WS: 90 Points</b>		750 ml	12 per case
<i>The vinification follows traditional methods and the wine is thereafter refined in oak barrels and partly in barriques for a period of at least a year. It is a deep ruby red wine with shades of garnet red, its scent is intense and fruity with a gentle aging. The complex harmony of this wine gives warm and velvety sensations and leaves a spicy and dry finish. Suggested with red meat and seasoned Italian cheeses. "Shows very pretty aromas of dark chocolate and crushed plum, with lots of nectarine character. Full and soft, with succulent fruit and rich flavors. Long and delicious. Drink now through 2011. 730 cases made. –Wine Spectator"</i>			
<b>LANGHE NEBBIOLO VITALIS (100% Nebbiolo)</b> BMF47407      2007		750 ml	12 per case

<b>CALUSO SPUMANTE DOC METODO CLASSICO (100% Erbaluce)</b> BOR23204      2004		750 ml	12 per case
<i>Made from 100% Erbaluce grapes using the metodo classico, whereby the wine undergoes a second fermentation in the bottle to create its fine pinpoint bubbles, yeasty aromas and white stone-fruit flavors. Pale brassy gold with pale yellow reflections and very vine perlage. The bouquet is rich, with clean minerality and some sea salt, mingled with hints of bread. On the palate it's bright and clean, with lively savory lemon fruit supported by both sparkle and acidity, which flows into a clean savory finish with peppery notes from sparkle. Perfect for the end of a meal.</i>			
<b>LA RUSTIA CALUSO DOC (100% Erbaluce)</b> BOR23608      2008		750 ml	12 per case
<i>Dry white wine obtained from a careful vintage selection Erbaluce grapes (La Rustia comes from the local dialect and means "roasted by the sun") and from the attention to detail in every phase of the cellar work. Lightly straw-colored. The bouquet is flowery, with scents of hawthorn, lemon, herb, wattle and fruity perfumes of citrus and peach, pink grapefruit, cedar, pear and banana; closing with some mineral hints. The wine develops an interesting density of texture and flavors, sustained by the right balance of acidity and sapidity.</i>			
<b>SULE CALUSO PASSITO DOC (100% Erbaluce)</b> BOR23402      2002 <b>GR: 2 Glasses</b>		375 ml	6 per case
<i>The Erbaluce variety has been appreciated since Roman times for its ability to make a luscious, dried-grape passito, a tradition now continued by Orsolani. Tawny amber with brilliant apricot reflections. The bouquet is fairly rich, with alcohol and dried nutmeats mingled with some dates and a fair amount of dark brown sugar. On the palate it's full, and rich, supported by sweetness and moderate acidity that flows into a clean fairly bitter finish. The gentle use of barrique gives the wine a rich auburn color and a nutty overtone.</i>

Enters the mouth fat, with sour red cherry, rosemary and candied orange peel flavors, then turns minerally and a touch bitter on the moderately long finish. High acidity gives definition to the wine's fruit flavors and leave the palate feeling fresh and clean. The hint of bitterness is very typical of the Taburno subvariety of aglianico, whose naturally high acidity gives it a more rigid mouthfeel than that of other aglianico wines. – erobertparker.com (Wine Advocate)"*

<i>Balanced and mature, this is a cilieggiolo that has caught up with its maximum expression, from the color and typical shade of the fruit from which it takes its name. It emanates scents of wild grass. A wine whose amplitude and sweet fruit flavor recalls exquisite Mediterranean tastes. Refined and pleasant to drink, it goes well with lighter plates and cheeses. Perfect to sip with good company, showing an unsurpassable talent.</i>
