

# Gelisi

During the post war years, after an important drainage and by the mean of a thirty-years attrib. loan, the national body Tre Venezie constituted in Villotte of San Quirino 59 estates to be assigned to the same number of Istrian families that lost everything in their beloved Istria.

Nowadays two of these estates belong to Gelisi family. They are completely planted with vines mostly grown with guyot system.

Along the years two new cellars have been constituted: one for the production outfitted with the best existing equipment and the other one for wine commercialisation.

On 1987 the first batch of bottles was bottled. Now the bottles produced and commercialised are more than 350.000 a year. They are sold in Italy, in Europe, U.S.A. and Far East.

## PINOT GRIGIO

**Colour:**

Straw yellow

**Scent :**

Distinct and marked bouquet, reminiscent of orange blossom.

**Flavour:**

Dry, but at the same time full and pleasantly bitter.

**Alcohol Content:**

12.5% vol.

**Suitable for:**

It goes well with Prosciutto, fresh cheeses, first courses with tomato sauce and white meats. Among the regional dishes that can be accompanied by this wine are pumpkin gnocchi, eggs and asparagus, risottos with herbs, especially with nettles. Best served at 10°-12°C

**address:**

via pola, 5 - villotte di san quirino
