### DESCRIPTION

#### 2008 "ROBLE" TEMPRANILLO D.O. ARLANZA

USV79208

*Wine tasting notes: Medium to high opaqueness with a predominance in the colour of reds, but with purplish undertones. A clean, lively and attractive wine. There is a predominance of red fruits and flowers. It is round, fleshy and velvety as a result of the generosity of its tannins. The wood offers sensations of spice and vainilla blended in the wine, leading to an exquisite, pleasant finish .*
